Don't overlook the potential offered here, this fully renovated mid-century weather board home, offering character and old-world charm, whilst being on 929M2 of land across the road from the Bay. With three generous bedrooms, spacious lounge with open fire, rustic polished boards, fully renovated kitchen with S/S appliances, modern bathroom and a study or an all-purpose room. With opportunities to buy blue chip properties becoming scares on the Peninsula, this will not last long. Whether you are looking for a unique development site to build three stunning townhouses (STCA) or you would like to secure a bay side property to build yourself a prestigious family home; this is the house for you. Few people can lay claim to owning a true Bay side home and wouldn't you like to be one of them.
