A leafy front garden and rose lined veranda beautifully frame this inviting three bedroom, two bathroom home nestled in a convenient Lilydale location. Meeting the needs of downsizing couples, families wanting extra accommodation for teens or older members or a work from home space, the home also features a two bedroom bungalow. Set on a sizable 862m² (approx.) block with an open feel and treed outlook to the rear, the house is private, meticulously presented and a pleasure to call home. A soaring timber lined ceiling crowns the spacious living room highlighted by lovely garden outlook while rich polished floors flow throughout the majority of the home. Well appointed and functional with generous bench space and storage, the kitchen overlooks an adjacent dining area. Three robed bedrooms include an ensuite appointed master (walk through robe) along with a large spa bathroom and laundry. Relax on the wide veranda and enjoy the roses while the large backyard offers a blank slate for your gardening ideas with plenty of play space for children and pets. Additional features include two split system heater/air conditioners and ceiling fan. Perfectly positioned within walk of childcare, Mount Lilydale College and the Warburton Trail and close to every amenity Lilydale offers including train station, buses and Lilydale Lake.
