Crafted in 2004, "Albertine" is a home celebrated for its exceptional design both inside and out. Named after the exquisite variety of roses adorning its intricate gardens, this property radiates sophistication. Impeccably maintained, the home features a versatile layout that caters to a variety of living arrangements. Open plan living spaces including a modern kitchen with breakfast bar, spacious living room with seamless connection to the outdoor alfresco areas. A separate formal dining room and sitting room/second living provide separation for special occasions. Accommodating three bedrooms, two with built in robes and the master with access to the large bathroom, as well as direct access to the enclosed alfresco area. An entertainers dream set on a private 748 sqm (approx.) block adorned with meticulously landscaped gardens, including a captivating fountain a pretty gazebo with an integrated bar and automated watering system to keep the garden hydrated. Additional features include a double garage with direct access, multiple heating options including a heat transfer system, plus a second toilet and shower alongside a European laundry. Fully insulated and a ducted vacuum system. Located in the heart of Youngtown, conveniently close to shops and just a 10-minute drive from the CBD. This elegant home is one out of the box and must be seen to be appreciated.
