Presenting itself with such a bright design and pristine atmosphere, this stunning property makes effective use of its impressive land size and quality design to create the perfect Weston experience. Boasting approximately four acres of clear, versatile land, this home additionally sports a massive shed, further machinery sheds, and a recently installed in-ground pool. The three-bedroom home is comfortably equipped with a bright and spacious central living area supplied by a fireplace and air conditioning. It flows right into the sleekly designed kitchen with its stone-top benches, an abundance of beautiful cabinetry, and central island with breakfast seating. The brand-new bathroom is stylishly appointed with floor-to-ceiling tiling and mirrored cabinetry. Beyond the tranquillity of the home, the property's large in-ground pool boasts glass-fencing, poolside bathing space and bathrooms installed nearby, making it perfect for hosting friends and family come Summer. Nearby, the property's primary shed is beyond exceptional, and a must-have for any vehicle or mechanically oriented buyers. You'll get even further use out of the machinery sheds and abundance of versatile land ready and waiting for use.- 5-minute drive to Weston Public School and local shops; 2-minutes from the Hunter Expressway- Approximately four acres of clear, versatile land; electric-gated entry- Enormous primary shed that is a must-have for any mechanically inclined individuals; further machinery sheds- Recently installed in-ground pool; solar panels- Two bathrooms outdoors close to the pool - Stable for your horse or horses
