This park fronted, freestanding family home has been thoughtfully designed to showcase leafy views of the adjoining Kelvin Thomson Park. Situated on a sizeable 410m² approx. block, it features three bedrooms, two bathrooms and a dedicated home office with sweeping park vista. Set well back from the street, the beautifully presented home enjoys lush surrounds and a large backyard with secure gate access directly to the park. Downstairs showcases a generous open plan design with living and dining zone connected to the large, covered alfresco deck area. An impeccably appointed kitchen includes stone finishes, a 900mm freestanding stove, matching rangehood and dishwasher. Two bedrooms are also included with hydronic wall heaters and built in robes, a main bathroom features a shower and separate spa bath, while a separate laundry provides convenience. The open plan living features heating and cooling, polished timber floorboards and under stair storage. Upstairs is the master suite featuring a split system AC, walk in robe and sparkling ensuite next to the dedicated home office. There is also an automatic garage with interior access. Located within 600m of Pascoe Vale Station and easy CityLink access this delightful home is within the esteemed Strathmore College zone.
