Impressive to say the least!! This home situated on the picturesque canals has been fully renovated throughout to the highest quality. Entertaining is made easy with the large open plan modern kitchen with island bench, electric cooking and dishwasher with a servery out to the enclosed outdoor entertaining area. Wood fire, split system heating and cooling and remote control blinds to the main living space which looks across the deck to the water and private jetty berth. Also includes three bedrooms, two with ensuites, large central modern bathroom with freestanding bath and extra large frameless shower, practical laundry, plenty of storage and a study. All this on a private fully fenced property with double lock up garage with rear access. Second garage on the property is not included in the rent.
