Located directly opposite the magnificent estuary in Falcon, this modern double-storey home offers a relaxed lifestyle paired with the convenience of low-maintenance living. The ground floor provides an open-plan living and dining area with easy-to-clean ceramic tiled floors, leading into a sleek and practical kitchen fitted with stone benches and stainless steel appliances, including a dishwasher. The main bedroom is found on this level, complete with a walk-in robe and a modern ensuite. The second floor reveals another laid-back living space equipped with a ceiling fan. From here, you can access a timber-decked balcony which grants clear views of the estuary, making it the perfect spot for evening drinks or quiet reflection. This floor also houses two sizable secondary bedrooms, ensuring ample space for family or guests. For those who value secure parking, the double lock-up garage at the rear meets this need efficiently. One of the home's notable features is the lack of yard maintenance, as the foreshore lawn directly in front provides a green expanse without any of the upkeep. Location-wise, this gorgeous home boasts proximity to various outdoor activities thanks to its absolute estuary frontage. From fishing to crabbing, opportunities for leisure are just steps away. Additionally, Falcon and Avalon beaches are a short 5-minute drive from the property, while essential shopping amenities are easily accessible. For those seeking a more comprehensive range of services and entertainment, central Mandurah is a mere 15-minute drive, offering the Mandurah Forum shopping centre, a selection of bars, restaurants, and the vibrant Esplanade. Whether you're looking for your first home purchase, an investment, or downsizing, you won't want to miss this one.
