This stunning furnished 3 bedroom apartment offers a range of desirable features. The master bedroom boasts a large ensuite, huge walk-in robe, remote ceiling fan, while the main bathroom with a bathtub services the additional two bedrooms with remote ceiling fans and built in robes. The bright kitchen boasts stainless appliances including dishwasher and fridge and leads to an open plan dining and lounge area all of which is air-conditioned. The wrap-around balcony provides space and privacy for both enjoying a BBQ or relaxing in a cosy pocket under the umbrella during the day or admiring the city lights at night. It includes a private and secure parking space with storage shed at the rear of the parking space and is accessed through two black security gates that require a fob for entry. To enhance security and ventilation, the apartment is equipped with three new security sliding doors fitted with deadlocks. These doors allow tenants to leave them open during the day and night, enabling fresh air circulation. To enhance comfort and convenience, new fans have been installed throughout the apartment, each equipped with lights and remotes. The lights can be turned on using a light switch, and the fans can be operated solely through the provided remote control. There is also a BBQ area and lap pool with city views!
