Step up to a world of your own with bold mid-century style, big brilliant space, and not a single shared wall! On high in the palm-fringed surrounds of this grandly-scaled garden group, this two bedroom top-floor rear apartment rises above the rest with 86sqm of floorspace - plus immeasurable treetop space on an afternoon sun-catching balcony! Light-filled and lofty with an expansive living zone with the same sunny aspect, this impressive apartment stars huge robe-fitted bedrooms (each with room to retreat or fit a workspace)...and wide hallway space to tie it all together. Impeccably presented with room to dine in a sizeable and stylish kitchen, and space to stretch out in a vast and versatile bathroom (updated for today while retaining a pristine Harlequin-mosaic floor), this treetop oasis blends the best of yesterday and today. Climate-controlled with reverse-cycle air-conditioning plus gas-heating, there's laundry plumbing plus contemporary lighting, quality carpets plus streamlined blinds, and a pure white paint-scheme punctuated by views to the lush green treetops and warm terracotta rooftops at every turn. Soak up the sun, relax into the views, find your easy-access carspace directly at the base of the rear stair...then step out from your world of peace and privacy into a heart-of-it-all location. With St Kilda Botanical Gardens around the corner to be your backyard, this treetop hideaway is 250m to the Brighton Rd tram (and a little further again to both Ripplonlea and Balaclava station), four blocks to Barkly St's hospitality hub and an easy walk to St Kilda beach!
