Substance and style meet convenience and quality here in the form of this partly renovated home that will impress you in every way. Separate plan living, kitchen, and dining area functions as the main hub of the layout along with a sleek benchtop look, gas cooktop, steel range hood, bench top air fryer oven, and beautifully tiled splash backs. Before you even step foot inside, though, you are welcomed by a spacious complex for entertaining or room for the kids to play. Back inside the house, a functional fully-tiled bathroom is showcased by a vanity. The master is the clear pick of them all, thanks to its generous size. The bedroom itself features a ceiling fan, low-maintenance flooring, and more. Even the laundry is great and modern at the same time, with plenty of space too. Low maintenance with excellent quality finishes, you will love the lifestyle on Odin Road. Imagine a lock-up-and-leave lifestyle only footsteps away from playgrounds and lush parks and only walking distance to Westfield Innaloo Shopping Centre, Bunnings Warehouse, IKEA, Stirling train Station, and many restaurants. Have we mentioned that bus stops are also a close distance, as are the likes of glorious beaches, top schools, freeways, the city, and many more
