OFFERS ABOVE \$175,000 CONSIDERED

Uncover the potential of this expansive highset home, nestled in the countryside setting in Thangool. Boasting a spacious 2064m² fully fenced block with 2 separate titles, embrace this properties opportunity to personalise and transform. This canvas is awaiting your creative touch! With high ceilings throughout, the airy atmosphere invites you to envision a transformed living space. Enjoy modern convenience with NBN connectivity and embrace the practicality of an upgraded kitchen. Comfort is created through the home with plenty of natural light and ceiling fans throughout with 2 bedrooms featuring air-conditioning. Offering low-cost living with the economic advantage of a 5kW solar system. This home offers flexibility with a large downstairs space, garage, and a 3-bay Colorbond shed at the back for added storage or a workshop. A convenient dual toilet setup adds functionality, while the built-in wardrobe and bay window in one bedroom infuses character. The property is primed for renovation, presenting a unique opportunity to craft your dream. Priced to accommodate renovation needs, this home is an excellent investment for those seeking a rewarding project. Contact Ross or Kathleen today to explore this spacious home and bring your vision to life!
