All available places for viewing have been allocated, thank you. A particularly superb spot, right in Wembley Central sits this top floor single bedroom Air Conditioned apartment, thoroughly redecorated and polished, it boasts of roof top views from west to east the north to south from a wrap around balcony just the spot for a sunny morning coffee, you can enjoy a BBQ right there as well. It's a corner unit so you've more privacy and nobody on top. Fully Furnished and equipped you just need to bring your linen and enjoy the location immediately, just steps from the shops, a bus at the door and trains just up the road. A well sort after group fairly modern and enjoying a glistening pool in the sun or the shade, there's heaps of parking, with one under cover lots of random ones. The local IGA is 24/7 and does terrific prepared meals for the busy people, or the International Food Court just behind the Hotel is a joy. Be very quick to request a viewing as slots will be allocated for the opening, each 10 minutes with just 3 groups per slot.
