It's very hard to find a property in the highly popular North Fremantle suburb let alone a 2 bedroom apartment in a fantastic location and in a very well regarded complex. Set over a large land holding these units are well spread out, each with their own access and flowing gardens in between to provide a lovely ambiance throughout. An elevated tree top outlook is light and bright, exceptionally well looked after with fresh carpets and neatly presented makes it super easy to just move straight in. Just a stroll over to Gill Fraser Oval, walk the dog, enjoy the beautiful white sandy river beaches, watch the boats cruise by or chat to the lovely locals. This is a very unique little pocket that few get to experience little alone live in and enjoy every day. Astute buyers will see the opportunity here. 2 Bed 1 Bath 1 Car Call Nathan for further details.
