Recently built in 2017 and set behind a secure front gate over three levels, this stylish and contemporary townhouse is so well-located you'll enjoy the everyday convenience of being within walking distance of the train station, shopping cafes, and more. North-facing, well-presented, light, and bright with high ceilings and an open-plan design, the ground level includes a Euro-style laundry, convenient under-stairs storage, a generously sized bedroom with a built-in wardrobe that can double as a home office or guest room, and a bathroom. Access a covered outdoor space from the ground level inclusive of an eco-friendly water tank and an exposed aggregate driveway for off-street car parking at the rear. An open-plan living space on level one features a modern and stylish kitchen set between a family living area and dining space with a private balcony off each end offering leafy views and space to entertain. A designer kitchen comes complete with stainless steel appliances, a stone benchtop, and plenty of bench and cupboard space for meal prep and storage. The master bedroom and another bedroom are both located on the upper level. The master with an oversized built-in robe, a private ensuite, and a built-in wardrobe in the remaining bedroom. A central and third bathroom with a separate bathtub and shower is also included, effectively offering each bedroom a private bathroom. Added extras include hydronic wall heating, reverse cycle air conditioning, blinds throughout. The location doesn't get more convenient when you're within walking distance of a huge range of amenities and only minutes from recreational amenities, great schools, and easy freeway access.
