Escape the urban grind to embrace the serenity of this hidden gem. Nestled on a sprawling 6,000sqm block, this single-level haven offers a tranquil lifestyle, complete with a pool exuding vacation vibes. As you drive up your private path, leaving city noise behind, the allure of bird songs and a refreshing dip in your personal pool create a daily retreat. Private inspections are welcomed. Designed for easy living, this residence becomes the backdrop for family joy and celebratory gatherings. With each bedroom offering picturesque views and a separate study for multitasking, this home blends comfort with practicality. The main bedroom, with its generous size, walk-in robe, and ensuite, provides a personal sanctuary. Key Features: Low-maintenance brick exterior for carefree living Durable timber laminate floors, family-proof and stylish Expansive 6,000sqm block, ideal for family activities Proximity to Patrick's Road State School and Ferny Grove State High School Wide covered verandahs seamlessly connected to the living zone Convenient double garage with internal entry for groceries Reserves and picnic areas nearby for outdoor enjoyment Double shed for storage and a dedicated space for your ride-on mower Abundant birdlife, spring-fed lakes, and clean air Approximately 10 minutes to the famed Eaton's Hill Hotel for a great night out Best Suited For: Those seeking a secluded lifestyle away from the city, where families can thrive in the spacious surroundings. Nature enthusiasts, entertainers, and those appreciating clean air and a peaceful ambiance will find their haven here. Private inspections invited.
