Ideally located in a prestigious, well-established suburb is a beautiful block of land ready to build that dream home on! Situated amongst existing excellent quality homes is this big corner block on 849 square metres of level land. As all the neighbouring blocks in the area are well established, so too are their gardens, shrubs and trees including footpaths. The allotment is within walking distance of shops, schools, and lovely parks. It's also only a short drive to an excellent boat ramp on the Elizabeth River. As this is a unique opportunity that won't last long! There is a lovely pile of top soil on site for gardening purposes. Contact Mick Smith today for more details!
