For a lifestyle you will love, this property provides a myriad of options, presented to please and full of surprises. Set on almost 4 acres with 3 road frontages and dual entrances, the fully renovated family home takes pride of place amongst the gently sloping grounds; a serene retreat from the hustle and bustle of everyday life. Delivering a desirable balance of formal and casual spaces, the interiors are immediately impressive in size, flexibility and presentation, luxuriously appointed with quality finishes, fixtures and a long list of inclusions. Multiple living areas include two lounges, a two-tier rumpus and a theatre room with elevated seating. At the heart of the home a gourmet kitchen not only looks the part in luxury country styling with classy 2 pack cabinetry and caesarstone bench tops, but is feature-filled for functionality. The all-season alfresco extends from the living space; an entertaining dream complete with outdoor kitchen and gas log fire. The bedrooms have plush carpets, amazing wardrobes and three have ensuites, and the sparkling bathrooms are all beautifully finished with elegant style. Outdoor features include large shedding for machinery and cars, store room, fenced paddocks for horse lovers with water supply, water tank, and a surprise studio that is an ideal work from home space, complete with small store room, cabinetry, wet area, separate bathroom and decked entry. Minutes to local shops, cafes and the Warburton Trail, Lilydale is about a 10 minute drive with a wonderful choice of quality schools nearby. This is a place where you can work, rest and play, where your family can grow and there's room aplenty for all that a country lifestyle can bring.
