Nestled on nearly 1 1/2 acres of picturesque land at the edge of Omeo, this delightful property beckons as the quintessential country escape. Boasting 2 bedrooms, a study, and a cosy lounge warmed by a wood heater, it offers a charming country kitchen equipped with slow combustion and electric stoves. With town water, 3 water tanks, a 4.68kw solar system with battery, a double garage, carport, numerous sheds, and a quaint hut complete with a wood heater, this property embodies both comfort and functionality. Spanning across 2 titles, the land features established trees, thriving veggie gardens, and a serene small dam. Unwind on the broad front verandah, immersing yourself in the tranquillity that surrounds this idyllic retreat.
