Perfect for the first time home owner or if you're planning on retiring and want the simplicity of owning this low maintenance home this could be the one for you. The house and shed are located on a very sizeable corner block close to local schools. Inside you will find 2 bedrooms, 1 bathroom. Other features include a functional kitchen with gas stovetop, a wood fire heater in the living room which warms the house in winter, along with reverse cycle air conditioning for additional heating/cooling requirements. There is a rear storage room located off the verandah, which leads out to a large back yard with room for an orchard and veggie garden. For more information or to view please contact Lisa Rich on 0429 111 848 to make an appointment.
