AUCTION - Thur 18 April 11am (unless sold prior)

RENOVATE, RESTORE, REBUILD 18 Centenary Lane is a very rare opportunity to purchase a front row Arno Bay shack that has ocean views and is located within very close proximity to the jetty, recently redeveloped kids play space, local café, and newly managed hotel. At 211 sqm, the allotment is comfortably the largest of the first 6 shacks and provides great future potential. A mains water meter is located on the property and power currently connected to the dwelling. Coastal properties across the country are tightly held in the current market and Arno Bay front row shacks are no different. You only need to take a short walk to see the wide range of ideas owners are using to maximise their block size and the outstanding dream homes that have recently been constructed or renovated. The property is being sold under Auction conditions (unless sold prior) with inspections available prior via booking. The Auction will be held onsite (at the front of the shack) at 11am Thursday 18th April. Contact Nick at Elders Real Estate to discuss this unique listing.
