This immaculate family dwelling strikes a beautiful balance of lifestyle and location. Affording immense contemporary comfort in a convenient position near RJ Cooper Reserve, Paisley Park, Altona Gate, and freeway access to the CBD, this home was well worth waiting for. The modern facade of this residence with single lock-up garage feels peacefully nestled into its leafy landscape. Upon entry, the intention to provide outstanding liveability is clear. The main bedroom, situated at the front of the home, boasts quality carpet, plantation shutters, a desirable walk-in robe, and a dual sink ensuite. Along the corridor, there are also 2 spacious family bedrooms with access to a private deck, a beautiful bathroom with soaking tub and separate powder room, and a practical family-size laundry. Sunbathed indoor-outdoor living is set at the rear of the residence. The open concept lounge, dining area, and kitchen features high ceilings, bamboo flooring, a striking waterfall island, glass splashback, and high-end appliances. With one step you can dine outdoors under the covered alfresco or on the level lawn area. With a fabulous array of features, a fine attention to detail, and a family-friendly locale in the Altona North Primary School and Bayside P-12 College zone, this idyllic property truly has it all.
