Phone Enquiry ID: 227623 Large 3 bedroom family home on a large block (2 titles merged as one) in a quite cul-de-sac. Polished wooden floors throughout. Large spacious kitchen with dishwasher. Split System DAIKIN air conditioners to all bedrooms and living area. Ceiling fans throughout. Built in robe to master bedroom, stand alone cupboards in 2 other rooms. Large built in hallway linen cupboard, Large built in cupboard to sunroom / veranda. Bluetooth Fire-alarms installed as per current guidelines. Built in front veranda / sun room. Separate Toilet and Bathroom. External laundry room. Solar Power. Fully fenced block with 4 different entries / driveways. 3 undercover car spaces – Double carport container shed with power and single carport adjoining house. Established lawns and gardens. This has been a great family home with plenty of room for pets and kids but work has moved us away from the area. We are now looking to sell our home and the new owners will not be disappointed. Its basically maintenance free being rented out at the moment, everything is up to standards for someone to move straight into. Its a very safe home with the potential and room to build staff quarters or a shed or even a granny flat on the bottom end of the block. Currently tenanted until June 2024 at \$380 per week.
