\$820,000

Don't let the unassuming front aesthetic fool you; beyond the beautiful white picket fence on this expansive 1214m² property lies a hidden gem. The exterior may exude classic charm, with its beautiful white picket fence, but step inside, and you'll discover a world of spacious living beyond your expectations. This beautiful cottage frontage unfolds into a surprisingly spacious home, offering a massive seven bedrooms and four bathrooms, making it a haven of comfort and versatility for a large family or dual living. With sophisticated design elements, the combination of the open-plan galley kitchen and the concealed butler's pantry creates an environment where culinary creativity can flourish. Every detail is considered, from the layout for efficient cooking to the hidden butlers pantry for maintaining a pristine appearance.

- Garage

The split-level design of this property showcases architectural ingenuity, creating a dynamic and visually appealing structure that enhances both form and function. Each level of this home is strategically zoned, offering a sense of privacy for different areas. Bedrooms, living spaces, and recreational zones coexist harmoniously while maintaining distinct and private atmospheres. Large windows strategically placed across levels flood the interiors with abundant natural light. This not only enhances the aesthetic appeal but also contributes to a bright and uplifting atmosphere. Extend your living experience outdoors with private patio areas or balconies on different levels. These spaces become retreats for enjoying the fresh air and scenic views. Unveil the full potential of this remarkable property that extends far beyond the cottage, providing not just a home but a lifestyle. Nestled on a substantial land, this haven offers more than meets the eye, a sprawling yard designed for outdoor living, complete with an inground pool and an alfresco area for ultimate relaxation and entertainment.
