Designed by global architects, this is an exceptional residence imagined to fulfill family living and entertainers. With a sophisticated and functional layout, the home is built with premium finishes and promises ease of living. It features a spacious gourmet kitchen which includes a butler's kitchen, all showcasing high quality stone benchtops and top-tier appliances. Multiple living areas grace the ground floor providing different spaces for relaxation. The open plan kitchen/living and dining area is set with an indoor gas fireplace and opens up into a private back courtyard. Upstairs, there is a spacious retreat, 4 generous bedrooms, 2 en-suites and additional full sized bathroom. Other features include a double lock up garage with internal access, ducted heating, AC and security intercom. Located in a tranquil pocket of Kew, the home has easy access to the Eastern Freeway providing convenience to the CBD and Eastern suburbs. It also offers proximity to many prestigious private schools, the Yarra Trail parkland, Kew Junctions' dining establishments and the Yarra Bend Gold Course.
