On a substantial block of land (approx 335sqm with 9m frontage) in one of Essendon's premier pockets, this freestanding Victorian home provides a lifestyle of immediate comfort along with outstanding options for those looking to renovate or renew (STCA). Enjoyed by the one family since 1957, the home's previously expanded interior currently comprises three large bedrooms (master with built-in robes) all serviced by a neat bathroom. Adding to the appeal is a surprisingly spacious central living/dining room (emphasizing the width of the block) leading through to kitchen with breakfast bar and gas cooker. High ceilings are set to impress along with gas heating, split-system a/c and internal laundry facilities. Completing the picture is a sizeable backyard garden with handy storage shed, plus a side driveway for multiple off-street parking. A short stroll to Mt Alexander Road trams, Essendon Station, Rose Street shops and cafes, it's also close to a range of local schools, popular parks and choice of bus routes, as well as easy access to Citylink.
