Positioned in a highly sought after street, this delightfully sunny 3 bedroom home has been beautifully renovated inside and out. With three generous bedrooms, a super spacious bathroom and cosy lounge plus near new kitchen, this heart-warming cottage could be easily extended to take advantage of the huge yard. Two new reverse cycle air conditioning units will have you toasty in winter and cool and comfortable in the summer months. Local schools, parks and shops are all within an easy walk and public transport is conveniently located on Elphin Road, making the city and surrounds easily accessible. Offering approx. 1200m² of almost flat land, such an easy walk to all facilities this location would make a fabulous site to develop (STCA)** more images to come later this week.
