Indulge in the finest coastal living experience with this contemporary 5-bedroom haven in Inverloch. Situated on a sprawling 1-acre property on the edge of town, this residence is not just a home; it's a lifestyle. Boasting a large shed and proximity to the inlet beach, Townsend Bluff walking track, and the town centre, it's an ideal haven for families and those seeking a blend of luxury, space, and coastal convenience. Step into a world of modern elegance, where clean lines and sophisticated design define every corner of this 5-bedroom masterpiece. This is a residence that effortlessly blends luxury with functionality. Embrace the luxury of space with a vast 1-acre property, offering endless possibilities for outdoor enjoyment. Whether you're dreaming of expansive gardens, outdoor entertaining, or a back yard basketball competition, this is the canvas for your vision. The large shed is a haven for hobbyists, car enthusiasts, or those in need of additional storage space. It's a versatile area that complements the lifestyle of those with a passion for their pursuits. The Townsend Bluff walking track beckons, offering scenic strolls and a connection with nature. Explore the beauty of the surrounding landscape, creating a daily ritual of wellness and serenity. The town centre is just a leisurely walk away passing through a beautiful treed reserve and across Screw Creek via a raised boardwalk. The 5 bedrooms offer a retreat for every family member, with the master suite providing a luxurious sanctuary. This property is a haven for families, providing ample space for children to play, explore, and create lasting memories. It's a safe and nurturing environment for every stage of family life.
