If you're looking for a walk-in convenient buy in the property market, and you're not looking to renovate, here is a fresh start waiting for you. This tidy 3 bedroom home has fresh paint work and floor coverings throughout, an airconditioned open living area, functional kitchen and bathroom. It's compact, and there's no big wow factor, but its neat, its clean, located right in the heart of Nanango and it's ready to go. Any wow factor will be up to you, but you can start without a major clean up first.
