Located in one of the most sought-after areas on the Tablelands, only 5km from Tolga's township and 10km from Atherton, the quiet and peaceful block boasts a perfect blend of privacy and convenience. With a well appointed deck, abundance of space and uninterrupted views be sure to put this property at the top of your list for viewing. Enter through the electric gate, down the driveway to meet established fruit trees and gardens along with a well-manicured lawn leaving a cleared fence line at the back which of course is the view! 4019m² of land size means you have the space to make this home your ideal place to park up. If that's not enough the deck has been purposefully placed with a northern view of the open land and a back drop of the mountains making this the perfect place to relax and soak in the scenic Atherton Tablelands, Or of course invite entertainment around to host friends and family! The home, complete with a 13.2kw Solar System, has been newly renovated with exceptional attention to detail featuring large open plan living spaces and a well designed kitchen hosting top quality appliances and a generous island bench which has ample space above and below. New split system aircons run through the main areas as well as all 3 bedrooms! The Bedrooms are spacious and consistent having built in wardrobes throughout, they give the home a welcoming look and feel. Sheds Galore! The first shed is a 3 bay powered shed with 2 electric motored roller doors and is situated at the end of the driveway to park up and close up with ease. The second larger shed is a 4 bay powered shed (12mx7.5m) with 4 large roller doors and if that's not enough there's an extended high roof caravan space equipped with a 15 amp power point perfect for parking up your larger vehicles. Finally, a 3rd Garden shed for all of your tools and storage. Don't miss this opportunity to make your ideal living a reality. Contact Sole Agent Alex Payne today to arrange a viewing.
