This fabulous family home has been lovingly renovated, and with three big, separate, living areas, there's plenty of room for everyone to have their own space. The Master Bedroom, with ensuite bathroom, is conveniently positioned at the front of the house, while the three minor bedrooms are strategically located on the other side. The centrally positioned kitchen is well-appointed, with plenty of cupboards, a dishwasher, a breakfast bar, vista views and overlooks the outdoor entertaining areas. The family room has built-in furniture which nicely compliments the space. The formal lounge/dining room is bright and airy with beautiful window treatments, and the games room is spacious. The outside offers several distinct entertaining areas to suit all the family; there's an undercover patio area, a classy decked lounge area and plenty of grass for the kids and/or pets. The easy-care gardens are reticulated and have been planned so that you can enjoy the weekends and not have to be a slave to the property. Ideally located just 5 minutes drive from the beach, Hillarys Marina and Whitfords Shopping Centre it offers easy access to the freeway and is close to some great schools and parks. This gorgeous home really does tick all the boxes. Don't miss out! Book your viewing NOW!
