Just off the Cassilis Road and just 14minutes drive out of Omeo, Number 18 Highview Court is a lovely bush block of 3.36ha with a house site cleared, good sized dam and the rest is native bush. It is the perfect weekender. Access is by 2 wheel drive so no need to worry about having to have a 4wd to get away anymore. The property almost adjoins the Gingee Munjie state forest and offers the new owners good access to Hotham, Omeo and Swifts Creek. For further details please contact Bret Ward on 0427562644.
