Newly renovated, with all the hard work done, the house has always been gracious & generous. Bought as a family home in 1990, she has never disappointed & is now ready to welcome and grow with the next family. Brand new lush kitchen and bathrooms, freshly polished floors and painted throughout, the house is in pristine condition. Lovely high ceilings with some of the original 1925 light fittings. Dual living areas and dual rear decks increase the feeling of space. Separate office area on the lower level. Plumbing to the under stair space ready for a laundry. This location is so convenient and offers so much; great public transport -walk to Taringa train station, Milton rd bus's, the Ferry in Milton, loads of cafes, soccer fields, Milton State school, Wesley hospital - ideal in every way.
