This period style gem offers a modern spacious kitchen with plentiful storage and bench space with gas hotplates and under bench oven, the kitchen also has space for a table and chairs. The home consists of 2 bedrooms, one with built in robes, central lounge with gas heating, the modern kitchen is finished with a polished concrete floor. The modest bathroom consists of a shower over bath with vanity, other features include a large laundry and separate toilet. A spacious rear courtyard is ideal for relaxing or growing a few vegies. Conveniently located with Temple Park at the end of the street, transport, bars, cafes and restaurants abound including Sweet Evelyn. As well as close access to the CBD and universities.
