This beautifully restored three bedroom period home offers a wonderful mix of old & new. The owners have kept some of the treasured features of the home with the ornamental fireplaces, original brick walls and dado boards. Each of the bedrooms are of good size and include a ceiling fan. The spacious lounge includes a large split system and the stunning kitchen offers all stainless steel appliances which include gas cook top, electric fan forced oven and dishwasher along with a good sized meals area and plenty of bench and cupboard space. The bathroom is also a highlight with a large bath, separate shower, vanity and separate toilet, whilst the laundry offers a large storage cupboard and access to the backyard. The property has a fully fenced large yard with low maintenance gardens, a concreted veranda big enough to entertain guests along with a four car powered garage. Be quick or miss out with this one!
