\$2,350,000

Steps from scattered cafés, Richmond Station, Swan Street nightlife, and the Yarra River, this contemporary prize delivers sophistication and flair on the fringe of Melbourne's premier sporting precinct. A statement in modern luxury, high ceilings and open spaces afford a calm atmosphere, with floating concrete staircases merging three sublime storeys. Served by built in robes and a stylish bathroom, two spacious bedrooms access a ground floor entertainer's yard, affording afternoon sunlight to summer barbecues. With outlooks of the MCG light towers and city skyline, a broad top floor terrace adjoins a sizeable upper retreat, with a luxe main suite comprising a substantial bedroom, walk in and built in robe pairing, and lavish dual basin bathroom. Open living, dining, and study zones merge with a smart middle balcony, together served by a stellar kitchen with granite benches and high end Liebherr, Bosch, and Neff appliances. With first class automation for management while at home or away, features include ducted heating and cooling, Southern Beech timber floors, electric blinds, video intercom, ceiling audio, keypad entry, NBN, a European laundry, and double garage.
