Offering charm and appeal with its gorgeous character façade, this large-sized freestanding residence is an ultra-private haven nestled into a fabulous corner parcel of land. Families will love the generous proportions of this immaculate home along with its warm and inviting feel, and an expansive garden sanctuary at the rear. It makes a standout property that will spark the interest of those looking to acquire an extra-spacious domain in an unbeatable location that's surrounded by nature reserve with Cherrybrook's shopping, schools and Greenway Park all within a short distance. Beautiful character home sitting proudly on the high point of the street. Huge landholding with established gardens and rolling park-like grounds. Versatile interior layout with separate areas for formal and casual living. Bedrooms are all well-proportioned, the master has a parents' retreat. Features include high ceilings, exposed beams and a large brick gas fireplace. Expansive backyard with dining patio, private lawn and swimming pool. Separate rumpus area plus a double lock-up garage with lots of storage. Ducted Air conditioning, Solar panels and gas points for heating. Zoned for Cherrybrook Tech High and John Purchase Public School.
