The home's classic layout offers modern living with all the perks, centered around a striking black and white kitchen. Abundant natural light, extensive storage, a full suite of stainless steel appliances and dazzling tiled splashbacks make it a real standout. Adjoining dining and living spaces are open and bright, and a fantastic raised deck at the rear of the home provides for perfect year-round entertaining and enjoyment. Three bedrooms are complete with polished timber floors and built-in wardrobes, and are serviced by the stunning, fully-tiled central bathroom which offers a separate shower and soaker tub. The large internal laundry houses a convenient second toilet. Boasting central heating and cooling, split system, solar panels, electric gates, security cameras, roller shutters, steel garage, long side driveway, and a large sealed front yard offering plenty of off-street parking for even the caravan, boat or trailer, you won't want to miss the opportunity to make this delightful property your new home. The convenience is great with Olsen Place shops around the corner, and easy access to Camp Road buses taking you direct to the Broadmeadows Station and shopping precinct, and in the other direction to Campbellfield Plaza and beyond.
