Situated on the quiet edge of historic Millthorpe, the property offers a spacious and superbly finished main house, as well as two separate outbuildings, perfect for accommodating family and guests. The original house has undergone a stunning refurbishment, offering four expansive bedrooms, including a luxurious master with a walk-in wardrobe and ensuite. There are three generous separate living areas. The large kitchen features an island bench that is connected to the open plan dining area that has panoramic views of the gardens and countryside. An expansive second-storey loft can be used for a multitude of purposes. Some of the original features, including bespoke cornices, wood fireplace, and high ceilings, remain in place and have been lovingly restored. The two-storey ancillary cottage includes a loft-style bedroom with a kitchen, bathroom, open plan dining, and living area on the ground floor. Nearby is the standalone studio, which is ideal as a kids' retreat, office space, or for additional guests. Set on a private 3,427 square metre block is the property provides a certain sense of grandness courtesy of the glorious trees, hedges, gardens, and lawns. Coupled with a location that affords an easy walk to the village's many delightful shops, cafes, restaurants, and other amenities via the footpath.
