Welcome to this charming family home, set high on a hill and offering stunning views of the surroundings. Inside, you'll find two large living areas - one carpeted and the other tiled, providing ample space for relaxation and entertainment. Splits system air conditioning throughout ensures comfort in every room. The three generous bedrooms are all equipped with splits and built-in cupboards throughout, offering plenty of storage space. The large kitchen features bright vibrant colours and boasts a large island bench/built-in dining table, dishwasher drawers, and lots of cupboard space, making it a perfect space for cooking and gathering with family and friends. The modern walk-through bathroom is neat and tidy, with a large shower recess and dual shower heads for added luxury. Ceiling fans throughout provide additional comfort. Outside, you'll find a paved BBQ area, perfect for outdoor dining and entertaining, as well as an outdoor laundry for added convenience. A single carport provides parking space for vehicles. The very low-maintenance garden and multi-level backyard are fenced for privacy and security. Enjoy covered tiled front patio area, ideal for relaxing and enjoying the views. Conveniently located close to the hospital, town, and shops, this home offers the perfect combination of comfort, convenience, and stunning views. Property Code: 4700
