A picturesque opportunity awaits the astute buyer at 18 Logans Beach Road, an exclusive plot of land in East Warrnambool near Logans Beach whale viewing area. Surrounded by stunning homes seamlessly blended into the natural environment, the coveted location provides a platform to design and build the ultimate seaside residence with ample room for extra shedding, extensive gardens, or future subdivision potential (S.T.C.A.) With extensive Southern Ocean views and westerly views across the city's skyline, the elevated lay of the land offers an array of viewing locations for your future home site. The last 8000m² (approx. 2 acres) vacant property in the area, you will never tire of the lifestyle that living in such a coveted pocket of Warrnambool provides.
