**\$751,000**

A charming street name culminates in an equally gorgeous home, beautifully restyled for the modern eye with everything a couple or family need on one simple level. Street front and streamed in natural light with timber floors and fresh painted tones. An open plan living and dining space merge superbly with a practical island kitchen/breakfast bar, fitted with stainless steel Fisher and Paykel oven, gas cooktop, Asko dishwasher and a chic subway tile splashback highlighted by industrial-chic inspired pendants. Three sun washed bedrooms, all with built-in robes and blinds share a contemporary bathroom with semi frameless shower. Entertain guests or relax in secluded bliss in a well maintained, easy-care garden with open pergola. Stepping out a lockable back gate to a private double carport for seamless commuting. Further features include gas ducted heating, evaporative cooling, split system, security alarm, linen cupboard and Euro laundry. The end of the street directly enters into the lush expanses of Eastfield Park, an off-lead dog zone and a network of trails to Cheong Park and Town Park, Main Street shops and cafes and Aquahub. Close to Swinburne TAFE, primary schools including Dorset Primary and Tintern Grammar. Minutes to Eastfield Road shops, eateries, bakeries and health services. Close to Eastland, Croydon Central and East Ringwood and Croydon Station buses/trains. Great access to the freeway and Eastlink. Packaged for a variety of lifestyles and stages, all on one seamless level with absolutely nothing to add.
