A Major lifestyle opportunity for a big busy family, this super-central four bedroom, two bathroom entertainer has something for everyone – in a centre-stage location on the edge of the retail, restaurant and rail hub. With two living zones plus a vast panel-heated, fan-cooled alfresco area, this inside, outside, poolside home stars a plantation-shuttered master-suite (with walk-in robe and dual-vanity ensuite) for parental privacy and a secondary bedroom wing with central lounge for the kids to make a little noise. Stepping out to hedged gardens with a glass-fenced solar-heated pool, there's even a gate to Train Street Park as a bonus backyard! Plushly finished and high-gloss detailed with polished-porcelain tiles meeting luxe new carpets, this prestige home features sleek stone benchtops for the European appliance kitchen and designer bathrooms, sculptural ceiling-fans for almost every room, and shiny mirrored robes for the kids' bedrooms. Secured by video intercom and 8-camera CCTV, this centrally heated and cooled home has auto-gated four-car parking including a huge double-plus garage. Best of all, this family entertainer has the commuter-living, latte-life location that everyone wants ...just a minute to the station and Highett Rd hospitality hub through the back gate with a big-brand supermarket at the end of the street, Southland one station just down the line, the Mentone schools just a couple of stops further, and the city within a daily 29 minute commute.
