The crisp, clean aesthetic appeal of this inviting home's street presence, preceded by a wide frontage and majestic mature palm tree, sets a perfect tone for the character of the spaces that await within. Living and dining areas that feature a wood burning heater and an instantly engaging feel are complemented by an open-plan kitchen where sky-lighting, contemporary appliances and a walk-in pantry illustrate its distinctive style. Beyond, an additional living area overlooks the north-facing backdrop. Three double bedrooms and a bathroom that's fitted and finished with exceptional renovated flair deliver inviting accommodation in a design that's further enhanced by a dedicated study/office with an integrated desk. Bright brick paved dimensions, pergola entertaining and a deck form the brilliant conclusion of a property that offers ample off street parking in an ideal position moments from The Circle's specialty shops, Newport Lakes Reserve, Paisley Park and Altona North Primary School.
