This newly built double storey brick home is impressive to look at. It has 4 bedrooms upstairs, with the master bedroom having a walk-in wardrobe and ensuite bathroom. All other bedrooms have built-in wardrobes, and upstairs has a bonus area that can be used as a study, kids play area, or reading nook to enjoy the sunshine streaming through the large double height window in the stairwell. Downstairs you enter the house into an open plan living area. Tiled flooring and large windows bathe the living room in light. The immaculate kitchen with polyurethane cabinetry and stainless steel appliances, and stone benchtops is stunning. The large island bench can seat the family and is perfect for meal prep. The dining nook to the side of the kitchen overlooks the undercover alfresco dining area, perfect for evening bbqs. The courtyard sized lawn area is low maintenance and great for kids or small pets. There is a powder room on the ground floor along with a separate laundry with storage cabinets and stone bench tops. The single garage is located on the adjacent street and has internal access to the house. Don't miss out on this quality home, set in the sought after neighbourhood of Middleton Grange, close to elite schools such as Thomas Hassal Anglican College, with easy access to the M7. Please note: this property has an attached granny flat that is already leased separately, but has its own private entrance from the adjacent street.
