Situated in the highly prized area of Somerville is this stunning very spacious family home. With lovely street appeal and close to schools, shopping and the Oasis, this home will certainly suit a growing family looking for a quality home with room to move. Double front doors welcome you to the front section of the home featuring a light bright entrance, the spacious master bedroom and ensuite, the formal lounge area along with a study, all separate to informal living at the rear of the home. You will love the décor throughout the home that is complimented by the large inside and outside entertaining areas. This fantastic family home offers space and a comfortable lifestyle for the growing family with lush, neat, auto reticulated gardens along with a fabulous entertaining area overlooking the sparkling below ground pool, plus a 6m x 9m powered shed with access. It's not often large family homes with such an appealing location with everything you could ever want become available - don't delay in calling Marianne Hodges for an inspection today on 0419 833 596
