This magnificent property located in the central zone of Glenorchy is a beautiful family home just waiting for the perfect buyer. Featuring three large double bedrooms, with the master having a built-in robe, there is plenty of room to spread or grow. With an open plan dining and kitchen, it's the perfect spot to share a meal with family, there is also large living room that is perfectly positioned to take advantage of the natural light throughout the day. For the hobbyist there is a large workshop that has a second toilet and a separate, large double garage. There is a large enclosed entertaining area off the back which is perfect for events or summertime Barbecue. The gardens are all level and low maintenance offering a blank canvas for the gardening enthusiasts or a low effort maintenance option for those who aren't, the possibilities are endless. With easy walking to shops, buses, and Northgate shopping Centre, this is a fantastic convenient place to call home. There is so much to offer any family searching for their forever home, call Neville today to arrange a private viewing of this "must see property" so you don't miss out.
