Behold this absolute classic. Built in a bygone era when waterfront homes were on large blocks and were solid, spacious, and commanding, this elegant home offers much to revel in. This property has excellent bones and a versatile layout in a highly desired location, superbly situated with a northeast aspect. An opportunity exists for the renovator extraordinaire to bring their "The Block" inspired ideas and breathe new and modern life into this natural beauty. Perfectly liveable as it is, the home has been well-preserved and nurtured by the current owner for the last 21 years. However, the time has now come for the owner to downsize and her treasured home to receive the updated restoration it rightly deserves. This property offers numerous standout features including but not limited to:- Four bedrooms (primary with ensuite and walk-in wardrobe) and 3.5 bathrooms - enough room for the entire family to spread.- There is an oversized pool and an expansive outdoor area overlooking the water. Many options are available to develop and enhance this space to fit your individual taste and needs.- A long driveway and large front garden offering off-street parking or an opportunity to develop this space further- For boating enthusiasts, you can enjoy a wide north-to-water aspect and an existing pontoon ready to go. Are you looking for a north-to-water property on a large block in coveted Runaway Bay, and would you relish the opportunity to hone your renovation skills and make a quality jewel shine again? If so, then 18 Saltbreeze Court is a home you should see.
