Rarely does a freestanding home in this prized pocket of South Bondi come to market and this much-loved family residence with sweeping beach and ocean views is destined to impress. Tightly-held by the one family for 43 years, this original c1903 home is currently configured into two separate residences, perfect for multi-generational families, with the option to easily reconfigure into one. The lower level comprises original interiors appointed with soaring ornate ceilings and charming period fixtures. The upper level consists of a three-bedroom renovated residence with a modern stone gas kitchen and open plan living/dining areas flowing to a sun bathed entertainers' balcony with intimate water views. It presents outstanding potential, flexibility and convenience, a stroll down to the iconic Bondi Beach and Icebergs, village shops and eateries and with buses at the doorstep (STCA). Property Features: - Spectacular elevated ocean views towards Bondi Beach - Property currently configured into two separate residences- Exciting scope to reconfigure into one brand new home (STCA)- Lower-level living and dining with soaring ornate ceilings- Neat and tidy gas kitchen, b/bar, ample cupboard storage- Upper-level open plan living/dining bathed in natural light- Modern Caesarstone kitchen, quality Smeg gas appliances- Choice of two sun washed decks perfect for entertaining- East facing sunny level backyard, vast underhouse storage- Three upper-level bedrooms with mirrored built-in robes- Three renovated bathrooms, master bedroom with ensuite- Secure triple off-street parking, pull-down attic storage- Outstanding opportunity in a coveted beachside pocket- Stroll to Bondi Beach, Icebergs, coastal walk, city buses- Walk to quality schools, Bondi Road's bars and eateries
