Tucked away in this serene cul de sac and backing onto the playing fields of St Bede's College, this updated three bedroom cream brick classic has a wide range of promise on 674 sqm approx. Fresh and light for modern living with future room to grow with your family needs, this single level home enjoys generous living (fireplace) and dining zones surrounds the well equipped family kitchen (stainless steel appliances) and an atrium style sitting area overlooking the deep level rear garden; three well proportioned bedrooms all with robes, a distinct bathroom with separate laundry. An enviable site for your dream new home or even a sought after development (Subject to Council Approval), this prized prospect has the added comfort of Tasmanian Oak floors, ducted heating, reverse cycle air conditioning and a double garage. In this gorgeous court on the edge of the glorious Centenary Park, close to Humble Creatures café, the Chadstone bus, Foodworks, St Peter's Primary School and Coatesville Primary School (zoned), moments to Centre Road shops.
