\$158,000

This vacant building block in the sought after town of Latrobe is “the one”. This 995m² piece of Tassie soil is the perfect foundation and location to build your forever home. This block is in an elevated position over looking the rolling hills of Latrobe and surrounds, you will even capture views of Mount Roland! The current owner has building plans and soil tests ready to go that could be passed on with the sale. Situated close to the hospital with easy access to the highway for travelling with ease around this beautiful state. The neighbourhood has been developed over the last ten years and has newly built quality homes in the area.
